PROFESSIONAL EXPERIENCE

MORE SECONDS

Junior WordPress Developer

(Remote)

Feb. 2022 to Current

- Demonstrated expertise in troubleshooting and resolving bugs on WordPress websites, ensuring optimal functionality and performance.
- Collaborated with design teams to ensure accurate translation of designs into web pages, ensuring consistency and adherence to brand guidelines.
- Collaborated with clients to understand their specific requirements and deliver tailored WordPress solutions, resulting in a high client satisfaction rate of 95%+.
- Designed new features for both new and existing websites using JavaScript, jQuery, and PHP.
- Successfully completed over 100 website projects using WordPress, showcasing a strong track record of delivering high-quality work.
- Implemented SEO best practices to optimize website performance, resulting in improved search engine rankings and increased organic traffic.

LENGINEER

Software Engineer Intern

(Remote)

Oct. 2021 to Feb. 2022

- Created a robust and scalable web application, "OutTheDoor," by developing and implementing a car listing platform using the MERN (MongoDB, Express.js, React.js, Node.js) stack.
- Actively participated in code reviews and provided valuable feedback, contributing to the team's code quality and ensuring adherence to best practices.
- Utilized Git for version control and collaborated with the team using Agile methodologies, ensuring efficient project management and seamless integration of new features.
- Conducted thorough testing and debugging to identify and resolve issues, resulting in a stable and bug-free car listing platform.

THE LIFEDU

Software Engineer Intern

(Remote)

Nov. 2021 to Jan. 2022

- Collaborated with a cross-functional team to develop and implement the overall theme of The Lifedu's website, ensuring a cohesive and visually appealing user experience.
- Utilized HTML, CSS, and JavaScript to design and customize the website's layout, typography, and graphical elements, resulting in an aesthetically pleasing interface.
- Actively contributed to team discussions and brainstorming sessions, providing valuable insights and suggestions for continuous improvement of the website's theme.
